In Memoriam

All at Central were deeply saddened by the unexpected passing of Miss Helen O'Brien on March 16. Miss O'Brien taught language arts and advised the L. D. P. club. During her ten years here, she continually proved herself to be a sincere friend and an understanding instructor. Her warm smile, high ideals, and enthusiasm were an incentive to her students and associates.

To those who knew her, the loss is great, but there is comfort in the knowledge of her influence on the students who have entered and left her classroom during her career.

Dedicated to Mr. Louis Meier

- ... for 24 years of service in the music department at Central,
- ... for composing the lyrics to our school song, "March on Old Central,
- ... for such other memorable songs as "Talli-Hi" and "Long, Long Ago,"
- ... for directing our splendid organizations: the junior choir, senior choir, Triple Trio, and Vocal Ensemble,
- ... for giving many hours of his spare time on projects for our enjoyment and the enjoyment of the community,
- ... and for his generosity, his wholehearted participation in school affairs, his humor, his unselfish attitude, all of which have been a part of our school life...

we gratefully dedicate the 1951 Echo.

Educational Philosophy of Central High School

We believe that as educators our responsibility is to provide a happy, healthy, and comfortable environment in which to work; to instruct the student effectively in the basic skills; and to inspire and encourage an understanding of the essential principles of socially acceptable behavior and moral integrity, of health, of economic and civic responsibility, of spiritual understanding and growth, and of respect for human dignity, so that he accepts these as most desirable for the attainment of a full and complete life.

Hi Bob,
been fun swinging

room. I hope you
are always as happy
as I am. Love,

NOW AND THEN, our ways of living change to fit the times. In the past 40 years, Central has changed with the addition of the library, Webster Memorial, and large gym. Customs have also been altered, but the spirit which has always been a part of Central still remains.

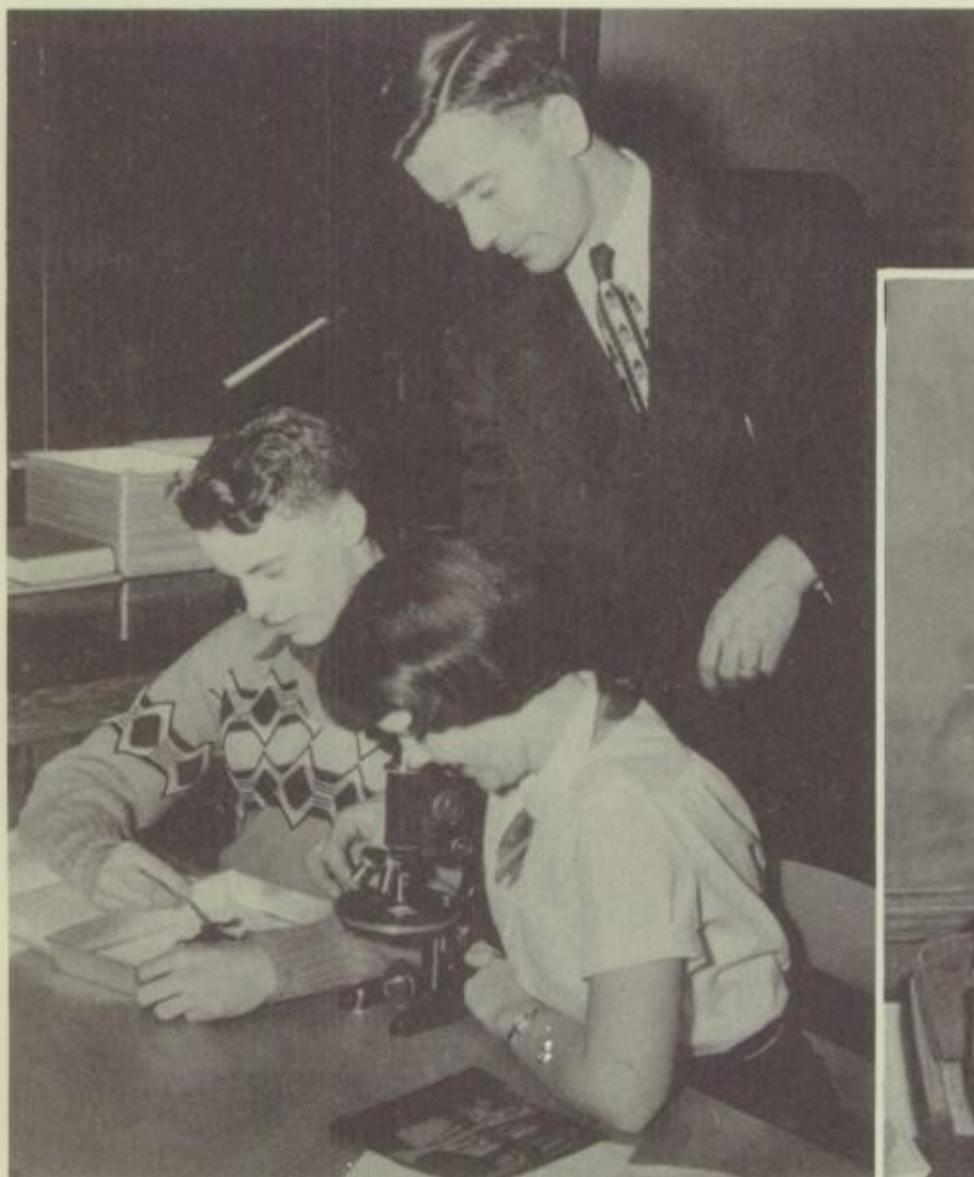

NOW
AND THEN

Dear Bob,
It's been in
front of you in
history, even if it
wasn't close. Die
noble been in. Anyway, I
have a wonderful
your nest and year.

The swiftly passing days reveal another world,

Sophomores

These halls have become ours; these, our voices,
Rise above the echo of past years
And claim another hour.
The hour is brief, and other voices echo;
Friends must be made, dreams broken, built
again;
Beside us, other footsteps mount the stairs;
Moments must be captured, kept from passing
time,
For we will be a voice, a footstep, when the hour
is gone.

Freshmen

A door opens and the stairs rise before us,
 And suddenly there is a new world:
 Strange to our lives, we find
 New threads to weave our dreams,
 A new song for the days to come,
 A language strange to our tongues;
 And then the door closes behind us,
 There are only the stairs to climb.

'Candyland Capers'

Athenae Club

"Come to Candyland!" In February all Centralites were invited to the main event of the Athenae club, the sweater dance with "Candyland Capers" as the theme. The decorations were elaborate with sundaes and cones that looked real enough to eat. A candy house was surrounded by colorful trees with candy bars hanging from them.

The Athenaes, members of Central's oldest club, strive to promote social activities. To do this they planned a mothers' tea, faculty luncheon, and informal and formal initiations.

Miss Greta Tetzler advises these 44 girls. She has been adviser to the club for the past four years.

Booster Club

With big smiles and happy faces the Booster girls finish their lunch, which makes a perfect ending to an eventful Valentine day.

"Victory Belles" had won! It was no wonder the Booster girls had beaming faces. Their float, which had a huge silver bell surrounded by the Booster belles in formals, won first place in the Viking Day parade.

The freshman girls were given an opportunity to make new friends at the tea given in their honor by the Boosters. The luncheon given for the faculty, the mothers' tea and fashion tea, both annual events, helped toward boosting school activities.

With Miss Alice Lomoe as adviser, the Boosters took in 19 new members through their informal and formal initiations.

Back row: Gibson, Eckerman, J. Nelson, Thompson, Aho, Steen, Forslund, Springer, McGinnis, Balow, B. Phillips, Christopherson.

'Holland Hop'

Girls of distinction! Donned in their new sweaters Geri Elwood, Gail Jacobson, and Gerry Chandler add detail to the decorations in preparation for the annual mothers' tea.

Coquina Club

The Coquina girls were easy to spot this year in their gay sweaters designed by club member Gerry Westlund. The sweaters were white with a green and white emblem.

The club girls began their season's activities with their float of bathing beauties in the Viking Day parade. Their traditional faculty tea followed, featuring a fall motif. In November an initiation dinner was given by all new members, followed by the formal initiation. April brought the annual spring dance; the decorations for this followed a Dutch theme. To conclude the school year, a dinner in honor of the graduating members was given.

Back row: Todorovich, O'Grady, Malinowski, Balow, Wicklund.

Painters and Prop-men

Master artists at work! Members of the Craft club contribute a helpful hand in completing the "Heidi" setting.

Craft Club

Artists of the future? Who knows? The members of this year's Craft club put their varied artistic talents together to design and build stage sets for three plays and the concerts. They assisted the junior class in decorating the gym for the Prom.

The Christmas display above the front entrance provided ample proof that this group, under Mr. Tony Yaworski, adviser, had talent, imagination, and ambition to carry out the work to each minute detail. Organized in 1940, the club has maintained interest in art and crafts through participation in stage art.

Debate Team

Resolved: "That the American People Should Reject the Welfare State." This was the topic that Central's debate team debated with Cloquet, Duluth Denfeld, Duluth Cathedral and at the state district meet in Chippewa Falls.

The debate team is growing rapidly. This year more students than ever before tried out. There were 20 members on the team, ranging from freshmen to seniors. Freshmen starting out have an advantage over upperclassmen, for by the time they are seniors, they will have had enough experience to be top debaters. Much time and preparation was spent in organizing and preparing the debates.

With a sound of chimes and a cheerie good morning, the students are greeted by Phyllis Ansell and Frances Oliphant.

Radio Commission

Direct, instruct, inform—these are duties of the members of Central's radio commission.

Under the supervision of Mr. Lyle Maves, 17 students were selected from the many applicants who tried out at the beginning of the school term. The applicants were judged on tone quality, diction, and clearness of voice.

Every second hour Centralites heard, "Here are your announcements for today." The radio commission divides itself into pairs, with each pair giving the announcements for one week. The purpose of this organization is to encourage student participation in school activities and to aid the school in giving announcements.

'Harvest Hop'

Hi-Y Club

"Harvest Hop" brought many students out into cold November weather to attend the Hi-Y annual all-school dance. Bales of hay decorated the big gym in keeping with the harvest theme.

Other activities for the school year included a closed dance, a Viking Day float, and an annual spring outing.

Monday noons in room 237 the club met with Leo Ellison presiding as president. Other officers of the 40 members were Harry Chapman, vice president; Frank Cox, secretary; Bill Currie, treasurer; Bill Downs, chaplain; and Ralph Hammerbeck, sergeant-at-arms.

Fancy free, care free are the Hi-Y boys and their guests as they help themselves to more cake and sandwiches.

Shutterman Club

The Shuttermen started the year off with a bang when their float received second place in the Viking Day parade. But they didn't stop there. They held their annual closed dinner-dance, an all-school spring dance, a pep assembly, and a gigantic carmeled apple and candy sale that broke all existing sales records.

Homeroom Delegates

Student Council

Democracy in action! The student council laid plans for the activities of Viking Day, the board of review, absent and tardy committee and sympathy committee. Five members of the council, with Mr. Rogina, attended the Wisconsin Federation of Student Councils. This annual meeting of all the councils in the state was held in Milwaukee.

The council solved school problems democratically. Among its many other activities a \$100 scholarship was offered to a qualified student by the council. This organization is made up of members elected from the homerooms.

Ready, Let's go! Delegates Frank Cox, Jim Templis, Dolores Danielson, Janet Jones, and Roger Christianson with Mr. Rogina are ready to start for the Milwaukee Convention.

Able Actors

Thespian Club

"Act well your part; there all the honor lies." This was the slogan adopted and carried out by the Thespians, with Miss Agnes Currie as director.

As a result, "Heidi," the familiar story of a little Swiss girl, "Submerged," the play about five sailors near death in a submarine, and "Journey's End," a dramatic production touching the horrors of war, were presented.

The Thespian club is a national honorary organization. To become a member, one must earn 10 points through some form of participation either on stage or behind the scenes.

Winners of the coveted banner for their presentation of "Submerged" are Jim Kriegl, Jeff Sell, Dick LaJoie, Bob Eaton, Joel Bushnell, and Tom Payton.

Back row: Keup, Landgreen, vice president; Eaton, Lindegren, O'Grady.

"Cheer on the team!" Making favors of brightly colored crepe paper for T-Day are Gerry Allen, Pat Phillips, and Mary Kinney.

L. D. P. Club

Dependability, service, scholarship—these are the qualifications of the L. D. P. club. These qualifications have been proved many times. For instance, Katherine Lamont was elected Central's candidate for the D. A. R. Last year this honor was won by another member of the club. In 1937 four boys of the L. D. P. laid the cornerstone for the student council.

An active club, the L. D. P. planned a closed dance, formal and informal initiations, a spring senior banquet and made favors for T-Day.

Any Centralite who has received the American Legion award is eligible for membership in the LeRoy Doleysh Post.

Superior Supermen

Back row: Evens, Walker, Stark, Parzych, Howard, Leggate.
 Middle row: Tuverson, Korb, Brown, Nevin, Carlstrom, Laux.
 Front row: Birk, Grant, Herubin, Allen, Anderson, Kangas, Larsen.

S Club

Why does an athlete receive a school letter? It takes more than appearances in games. It includes hours of training on a hard or muddy field, many bumps and bruises or even broken bones, running the ball back and forth on the gymnasium floor until one's legs are aching. It includes sportsmanship, and, of course, ability to play the game.

The group was again advised by Coach Harry Conley. No officers were elected.

A glimpse of our captains! Chuck Anderson and Ter Mercier take time out for a little horseplay.

Helpful Hands

Busy as beavers! Margaret and Priscilla put up a poster while Sharon, Dave, and Alan read letters from Red Cross box receivers.

Junior Red Cross

Pencils, paper, erasers, soap . . . many children will have smiles on their faces when they open these boxes sent by the Junior Red Cross.

All students contributed their nickels and dimes in the fall membership drive sponsored by the Red Cross members. When each homeroom reached the 100 per cent goal it was given a sticker, and every student who had contributed money was given a membership pin.

The work was carried on by one student from each homeroom, who was elected to represent it at the Red Cross meetings.

"Honor lies in honest toil," sigh Bob Donnicks and Jim Kriegl as they doggedly continue their list of names and addresses.

S. O. S. Club

Mounting, collecting . . . any problem of a scientific nature interests these 12 boys of the Students of Science Club. Their discussion and business meetings were held every two weeks.

Selling SOS directories was part of the initiation of the new members. This is the second year that a directory of addresses and phone numbers of students and teachers has been prepared by the club.

The club officers were Bob Donnicks, president; DeWayne Stalvig, vice president; and Jim Kriegl, secretary-treasurer. Mr. Robert Gradin, biology teacher, has held the position of adviser to the club since it was founded in 1948.

The Junior Band, led by Mr. S. Brinley Shaw, was organized in 1942, as an outgrowth of the former Junior Orchestra.

Spirited Paraders

Senior Band

That looks like fun! Jim Peterson plays a new number while his talented critics John, Jeff, Frank, and Ralph listen attentively.

"I love a parade . . ." is a typical statement made by spectators of Central's band. Directed by Mr. S. Brinley Shaw, they participated in parades, basketball and football games, assemblies, concerts and festivals. Every first hour you could hear the band practice "warm-up" numbers and then swing into something modern such as "Band-jive."

The full band of 66, practicing many mornings before school, strove hard this year as in former years to make their annual concert in February and the freshmen choir concert in April a big success.

All-State Orchestra

Senior Orchestra

Official Orchestra! Yes, Central's 55-piece orchestra was honored this year when it was invited to be the official orchestra at the Midwinter Music Clinic in Madison, held the first week in January. For the first time in the history of the clinic was such an orchestra honored.

How were they chosen? By hard work and long, tiring rehearsals under the direction of Mr. William Keller, who has been at Central for the last four years.

The orchestra also gave its annual fall, Christmas, and spring concerts.

Central is proud of the newly organized string quartet composed of Mary Sinclear, viola, Priscilla Anderson, cello, Rosamond Schliep and Betty Barbo, violins.

Violins: Barbo, Carlson, Forslund, Larson, Schliep, Kinney, R. Droege, Hill, D. Droege, Keller, Ross, Yanda, Kuluman, Andreen, Voth, Ansell, Setterstrom, Fisher, Paul, Beine, Slick, Dann. **Violas:** Sinclear, Howard, Anderson. **Cellos:** Van Buren, Sanborn, Anderson, Chellman, Barsten, Olson, Williams, Sanders. **Bass:** Meier, Arndt, Peterson, Edwards. **Flutes:** Rusch, Hanson. **Oboe:** Jones. **Clarinets:** Sell, Pearson. **Saxophones:** Peterson, McGillis. **Horns:** Lackens, Newlander, Nelson, Wick. **Trumpets:** F. "Intonation . . . softly . . . now a little louder." These instructions could be heard in Mr. Louis Meier's room, 202, during second and third hours of the day. Responding to their director were the 86 members of the senior choir rehearsing for their concerts.

The senior choir sang in the annual Christmas and Spring concerts. During the holiday season the choir caroled at St. Mary's Hospital and in front of the post office. Their caroling in the halls of Central is traditional during the Christmas season.

"O, Magnify the Lord" and "Give Me Your Tired, Your Poor" were two of the favorite selections of the choir.

Melodeers "When Song Is Sweet" by Sans-Souci and "Italian Street Song" by Victor Herbert were sung by the 12 Melodeer girls at school, church, and civic programs.

Miss Lillian Berg has been their leader since 1942, when they were first organized.

Harmonizers "Easter Parade" by Irving Berlin and "Stouthearted Men" by Sigmond Romberg were songs sung by the Harmonizers at the Easter concert.

In their jeans and loafers the members of the Girls' Athletic Association spent many hours after school working on their "studio room." Complete with a davenport, radio, lamps, and lounging chair, the room provides enjoyment for the passive moments of all Central girls.

Organized to promote good sportsmanship, worthwhile competition, and a spirit of friendliness among Central girls, the G. A. A. had an active membership of 380.

The G. A. A. is under the capable leadership of Pat Phillips, president, and Mrs. Marion Thompson, Miss Lois Kasmak, and Miss Eleanor Guse, advisers.

Twirlers

Spirited and able twirlers added variety and special talent to each appearance they made during the school year. Rather than having the entire squad perform at each game, a group of two or three girls appeared, doing coordinated stunts with their batons.

These girls were ready in all kinds of weather to march in parades and participate in the programs at football games.

These girls were trained and advised by Mrs. Marion Thompson.

In the V line-up are: Donna Sands, Joanne Gunderson, Janet Jones, Pauline Burgraff, Marion Fudally, and Marlene Stoich.

"Fifteen rahs for the team!" This and other familiar yells could be heard at pep rallies to add color and enthusiasm to the programs. Central's six spirited cheerleaders also appeared at games to cheer our football and basketball teams on to scoring victories.

TOUCHDOWN! Larsen evades his pursuers as he nears the double stripe.

Coach Conley sketches football maneuvers as he and Coach Olson discuss the next game.

Coach Harry Conley did a creditable job this year building his squad around only four returning lettermen. With the whole varsity squad lost by graduation, the Vikings completed a tough seven-game schedule with three wins against four losses. The Conleymen scored 72 total points as compared with 142 for their opponents.

EAU CLAIRE

In the first encounter of the season, the Vikings received a severe setback by the Eau Claire Old Abes, 40-20. Leaving the field at halftime faced with a 33-7 deficit, the purple and white crew grew determined in the final half and scored twice while holding its opponents to one more score. Stan Parzych toted the pigskin 34 yards through the center of the line and across the double stripes for the first score. George Hanson smashed through the entire downstate team on a 46-yard drive to pay-dirt. Don Larsen completed the scoring on a 19-yard scamper around end. He also added two conversions.

DULUTH CATHEDRAL

Determined to avenge their first loss, the Conleymen turned back the Duluth Cathedral Hilltoppers 6-0. Ron Tuverson carried the slippery ball 15 yards through mud and opponents before he crossed the goal line, giving the Centralites a hard-earned victory. Both lines made a very creditable showing as they slashed into their opponents' backfield to strip the runner of his interference and pave the way for a team mate to bowl over the runner.

DULUTH DENFELD

Homecoming turned out to be a sad affair for the home team as it was struck down 44-6 by the Denfeld Hunters. The old story of the Vikings not being able to win a homecoming game became more dominant. With Don Larsen scoring from 41 yards out, it looked as if

he might inspire the boys and set them on their way to victory. But it proved to be the only score of the one-sided grid battle. Fumbles and a loose pass defense proved fatal for the outclassed Vikings.

ASHLAND

On the Ashland Oredockers' mud-ridden field, the Central boys defeated the Oredockers 14-0. Midway through the second period Danny Laux plunged over from the four-yard line for Central's first marker. Don Larsen broke into the clear in the last quarter and zig-zagged 31 yards to pay-dirt. Larsen added both points after the touchdowns. The Vikings' defensive unit performed brilliantly as they held Ashland to five first downs. At times it was impossible to distinguish either teams' players or the sideline markers because of the poor weather conditions.

EAST

In the game of the year, the Vikings subdued a fighting East High football squad 19-12. The Vikings added single scores in each of the first, third, and final quarters. After recovering an East fumble on the Oriental 29-yard line, the Vikings scored on three plays with Don Larsen crossing the double stripe from nine yards out. Danny Laux added the second tally on a beautiful spinner that covered 54 yards. Don Larsen scored the final Viking marker as he legged it 66 yards to the promised land. Larsen also added one conversion.

DULUTH CENTRAL

The mighty Duluth Central Trojans took the measure of the Vikings, 33-7, in their annual tussle. Up against superior weight, blocking, and running, the Centralites were able to score only one touchdown. Stan Parzych ran 53 yards through the entire Trojan team for the lone tally. Ronny Schultz added a perfect conversion. The hillbillies showed much power as they scored on five long runs and added three extra points.

HURLEY

In the season's final for both squads, the Hurley Midgets shut out the hometown boys 13-0 with the Midgets' Bob Johnson scoring all of his team's points. Aggressive Florian Helinski, Hurley's flashy quarterback, had the entire Viking backfield in a turmoil as he completed 13 of 22 passes, keeping the Midgets in Viking territory throughout most of the game. Hurley had the game under control throughout the fray as its powerful defensive unit kept the Vikings in the shadows of their own goalposts.

HARD EARNED VICTORY. The Viking gridder prepare to call it a day after a hard-fought victory.

B A S K E T B A L L

Coach Norman Olson, head basketball mentor, has just completed his fifth season at Central. Although he compiled a mediocre record this year, his five-year record is very impressive. His teams have won 63 games and have dropped only 35 contests.

Mr. Olson has a bright outlook for his future teams. He pointed out, "Many grade schools are now instructing their pupils the fundamentals of basketball. If these kids are taught how to handle a basketball before they come to high school, our school will develop better teams in the near future."

Mr. Olson received his masters degree from the University of Wisconsin last summer. While completing his college years at Wisconsin, Mr. Olson played the keystone sack for the baseball team of his alma mater. In high school at Middleton and Madison West he also played basketball and football.

Vikings Compile 11-8 Season's Record; Charlie Anderson Leads Individual Scoring

Season's Summary

The Vikings won 11 games and suffered eight setbacks. Charlie Anderson carried the brunt of the attack as he led his teammates through the rough 19-game schedule as he countered 103 field goals and 90 charity tosses for 296 points.

Central won the mythical city championship by dumping East High twice and splitting two contests with the Cathedral Panthers.

In the season's first encounter, Coach Norman Olson pitted his aggregation against the Denfeld Hunters and emerged with a 60-37 victory. Cathedral upset Central's apple cart edging the Vikings 36-31 in the second hoop game. Having squeezed by the Ashland Ore-dockers 48-46, Central trounced the smaller Two Harbors prepsters, 64-32. Then they defeated East, staging a last quarter rally to win 55-47.

Superior once again was represented in Minneapolis as the Vikings bowed to a group of Owatonna, Minnesota cagers 53-45 in Williams Arena.

The mighty Hurley Midgets fell before the Viking machine 49-46. Duluth Central then humbled the Vikings as they outfought, out-shot, and outrebounded their cross-bay rivals, 68-33. Another Duluth quintet—Duluth Cathedral—turned back the Vikings by a 46-41

score. It was the first loss for the Vikings on Central's home court in three years.

Central turned in four straight triumphs during the latter part of the season. They took East to the cleaners by a 48-39 score, outfought Cathedral 40-37 in the only overtime game of the year, trounced Two Harbors 48-36 on the Northshore court, and added to their laurels by beating Ashland for the second time, 49-38.

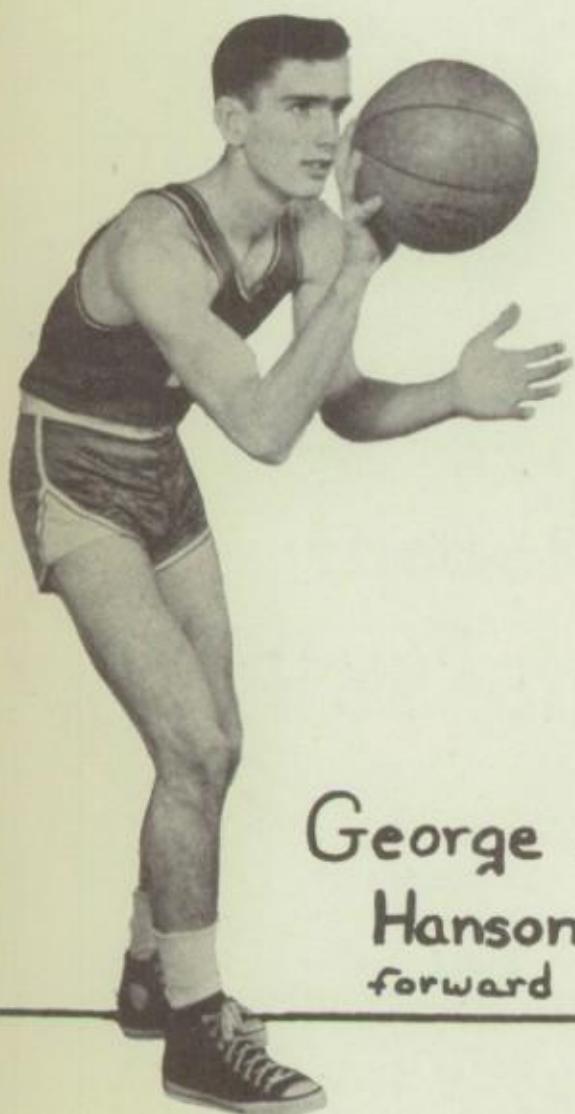

In a southern Wisconsin road trip, Central was turned back twice. First the powerful Eau Claire outfit did the trick 75-53 and the following night it was La Crosse by 43-42.

The Little Big Ten champion, Duluth Central, dropped the Vikings 58-45 in the last scheduled encounter of the season.

The WIAA regional tournament was held at Ashland. Central overpowered the Northwestern of Maple hoopsters 66-43 and defeated its crosstown rivals, East High, 47-44 the following evening. Hurley eliminated the Vikings from further competition by beating them 58-50.

The Vikings compiled 914 total points while holding their opponents to 882. This gave them a 48-point average per game and 46 points for their opposition. During the regular campaign the Vikings garnered 751 points and their opponents, 737 points.

Well Fishy,

 I wish I had gotten to
 know you better but
 what I do know, I think
